Liability for content

Pursuant to § 7, Para. 1 of the German Telemedia Act (TMG), as a service provider we are responsible under general law for our own contents on this website. Pursuant to §§ 8 through 10 TMG however we are not responsible as service providers to monitor transferred or stored information of third parties or to research circumstances that suggest an illegal activity.

Obligations for the removal or barring of the use of information in accordance with legal regulations remain unaffected, even in the event of the service provider not being responsible. Any liability in this respect is, however, only incurred from the moment that knowledge of the specific breach of law is obtained. When we become aware of legal violations we will remove the content that is in violation of the law.

Liability for links

Our offer contains links to third-party websites, on whose contents we do not have influence. We can therefore also not assume liability for these external contents. For the contents of the linked sides always the respective offerer or operator of such sites. The linked pages were inspected for possible violations of law at the time of the placing of the link. No contents that go against the law were recognisable at the time the links were created. Moreover, a permanent control of the contents of the linked websites shall not be considered reasonable

without a concrete indication for a violation of the law. As soon as we become aware of a legal violation we will remove such contents immediately.

Copyright

The contents and works on these websites prepared by the operator of the websites shall be subject to German copyright law. Copying, processing, distributing and any kind of use outside the limits of copyright law require the written approval of the particular author, respectively compiler. Downloads and copies are only allowed to be used in a private and non-commercial way. As far as the content of this page was not created by the publisher and/or operator of this website, the third party copyrights are respected. Contributions by third parties are identified as such. Nevertheless if you should become aware of a copyright violation we request that you notify us accordingly. We will immediately remove such contents upon discovery of infringements.
